

**RESOLUTION #2023-06**

**A RESOLUTION APPROVING THE  
NORTHWEST ARKANSAS REGIONAL PLANNING COMMISSION (NWARPC)  
2023 REGIONAL TRANSPORTATION SYSTEM MANAGEMENT AND OPERATIONS (TSMO) PLAN**

**WHEREAS**, the vision of the region is to “collaboratively manage an integrated transportation system that provides safe, reliable, and efficient transportation options for the growing region”; and

**WHEREAS**, a transportation system management and operation is a set of strategies that focus on operational improvements to optimize performance of existing infrastructure through the implementation of multimodal and intermodal, cross-jurisdictional systems, service, and projects designed to preserve capacity and improve security, safety, and reliability of the transportation system; and

**WHEREAS**, transportation system management and operation is a cross-discipline, collaborative, and integrated program of strategies and applications to improve existing and planned transportation infrastructure and multimodal systems through better integration, coordination and implementation of key operational strategies, innovation, and technology; and

**WHEREAS**, NWARPC has completed the consultant-led 2023 TSMO Plan and provided review and public comment.

**NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE NORTHWEST ARKANSAS REGIONAL PLANNING COMMISSION:**

That the NWARPC 2023 Regional Transportation System Management and Operations Plan is hereby approved and identifies a wide variety of strategies, goals and potential projects.

**PASSED AND APPROVED BY THIS 26<sup>TH</sup> DAY OF APRIL, 2023**
